

## IT Essentials 5.0

### 7.5.2.5 Worksheet - Laptop Screens

Print and complete this activity.

In this activity, you will use the Internet, a newspaper, or a local store to gather information and then enter the specifications for a laptop display onto this worksheet.

1. Research and list the specifications for a laptop screen with a 14.1" display. Please ask your instructor for the laptop model to research.

Screen Specifications	Display Screen
Type	
Size	
Resolution	
Manufacturer	
Backlight Type	

2. When replacing a laptop screen, the replacement screen must match many, if not all specifications of the original screen. Research and list which specifications must match the original display screen.

3. Shop around, and in the table below list the features and cost of two replacement screens for a laptop.

Screen Specifications	Replacement #1	Replacement #2
Type		
Size		
Resolution		
Manufacturer		
Backlight Type		
Approximate cost		
Warranty		

4. Based on your research, which replacement screen would you select? Be prepared to discuss your decisions regarding the screen you select.
