Cover	General	<p>These instructions are provided to help charter schools prepare the expenditure budget. Within the forms, blue font and light blue highlights indicate that an instruction is linked to that specific line. An instructions button has also been provided that links to any general instructions or to the first instruction for a page. The forms have been set to print without "objects" so that the instructions buttons do not print.</p> <p>The cells in the prior year columns on the budget forms contain formulas that will bring forward budget amounts from the FY 2015 budget forms. However, the cells have not been protected so users may also enter the information manually. To bring forward amounts automatically, the most recently revised FY 2015 budget must be saved as budget15.xls in the C:\CSFORMS folder. If the file is not named budget15.xls, the formulas will not function properly. Excel will ask the user to update information when the budget16.xls file is opened. Users should review amounts reported in the prior year column to ensure they agree to the school's most recently revised FY 2015 budget.</p>
Cover	CTDS Number	<p>This cell will only accept entries of 9 digits. Do not include any slashes, dashes, etc. Enter the school's CTD number plus 3 zeros.</p>
Cover	Version	<p>All information on the cover page must be completed/updated when the proposed, adopted, or revised budget is printed out for the Governing Board to sign. All information, excluding the Revenue information, must also be updated when the budget is revised.</p> <p>The version of the budget being submitted on the cover page is formatted with a drop down menu. Select the appropriate choice from the menu: Proposed, Adopted, or Revised (including the revision number). Only choices in the menu may be entered in the cell.</p>
Cover	Estimated Revenues	<p>Estimated revenues by source for FY 2016 should be based on the best information available at the time the budget is prepared. Estimated revenues may be more or less than estimated expenses.</p>
1	General	<p>Depreciation expense should not be reported on the budget forms. In addition, purchases of capital assets (land and land improvements, site improvements, buildings and building improvements, equipment, and construction in progress) should not be reported in the budget forms except in the Capital Acquisitions section of page 2.</p> <p>The Student Success Project was repealed by Laws 2015, Ch. 15, §5. If schools have remaining monies in this project, they should be budgeted for in the Schoolwide Project. The prior year budgeted expenditures column is linked to the prior year budget forms. However, the cells are unlocked, allowing for Student Success Project adjustments.</p>
